Day 4

Vis Biševo Korčula

Leaving Vis we will have an early morning cruise towards Biševo island to visit the Blue Cave, a magnificent natural phenomenon on the islet Biševo just in front of the town of Komiža. The light goes through the cave and reflects on the water in such a way it paints everything in a wonderful blue tone. The cave is tiny so you can only enter with a small boat and is available for a visit only if the weather and water level are suitable. As sometimes weather conditions can be very unpredictable, the possibility of our visit will depend on those conditions, however, you will be notified of this on time. Afterwards, cruise towards the Korčula the island's main settlement and is known as the birthplace of Marco Polo, one of the world's most famous explorers of all times. Stop for lunch in one of the secluded bays en route. Afternoon arrival in Korčula followed by a guided walking tour of one of the best-preserved medieval cities in the Mediterranean. Korčula has an abundant choice of restaurants to enjoy your gourmet experience and there are numerous bars and clubs for those looking for evening entertainment. Overnight in Korčula.
