Boasting the busiest port in the world as well as the third most dense population in the world, Singapore is a fascinating region that blends Indian, Malaysian and Chinese culture with modern skyscrapers and subways. With a wonderful tropical climate, vibrant nightlife, fantastic shopping and exotic cuisine, Singapore is a popular holiday destination known as the 'Garden City'.

Itinerary

Day 1

Arrive in Singapore

This evening, make your way to begin your adventure onboard the Spectrum of the Seas.

Singapore is small in size but big on excitement. Discover the multicultural medley of this city-state through its neighbourhoods: Check out the statue-adorned temples of Little India and the colourful pagodas of Chinatown. Cruise to Singapore and explore the city's Malay section on the Kampong Glam Heritage Trail, which will take you past Arabic-influenced mansions and the gold-dome-topped Masjid Sultan mosque. Experience the contrast between the lush rainforest flora of the Singapore Botanic Garden and the high-tech 'supertrees' and biodomes of Gardens by the Bay. Complete your Singapore adventure with a panorama from the rooftop of the Marina Bay Sands or a Singapore Sling cocktail at the historical Raffles Hotel.

Day 2

Penang

An island state just off the coast of northwest Malaysia, Penang is rich in diverse cultural influences thanks to its history as a trading centre between India, China, Britain and the Middle East. Head to historic George Town, the island's capital city, where bicycles and trishaws (three-wheeled, pedal-powered vehicles) dart along narrow streets lined with mural-adorned buildings and varied architecture. Cruise to Penang to step into the oldest Anglican church in Southeast Asia at St George's, or check out the Kapitan Keling Mosque. Then, take the tram up to the cooler, minty-fresh air of Penang Hill – walk through the bird sanctuary or one of the nature trails, and take in views of the city below and the mountains in the distance.

Day 3

Phuket

The island of Phuket (pronounced 'Poo-ket') is often called the Pearl of Thailand – and once you set foot on pristine beaches and see its crystalline blue water, you'll understand why. Cruise to Phuket, Thailand and start your day by diving right in – literally – at Kata Noi Beach, a smaller, more secluded spot where you can soak in the sun and sand and unwind. Then, head to the nearby Karon Viewpoint for unparalleled views of the Andaman Sea and the area's lush mountainous landscape. In town, see the Big Buddha of Phuket – the white marble likeness of the holy figure stands 45 metres tall. Then, see the elaborate temple of Wat Chalong and its Grand Pagoda, where it's believed a splinter of bone from the Buddha himself resides.

Day 4

Cruising

Enjoy today at leisure and check out all the activities onboard, indulge in the selection of spa treatments, watch a show, go for a swim, even skydive the options are endless!
