Day 2

Byron Bay Day Tour

Visit Cape Byron and see dramatic cliffs tumbling down to the ocean surge. The full- day coach tour departs from Gold Coast city early in the morning and heads south through popular beachside suburbs. See endless stretches of pristine beaches, lush rainforests, and a diverse mix of people as you drive across the Queensland border into New South Wales and through the sugar cane country of the Tweed Valley. Your ultimate destination is the easternmost point of mainland Australia, marked by the Victorian-era lighthouse high on the crest of Cape Byron. Standing on a bald rocky headland, with a precipitous cliff to the east, and a sheer drop of approximately 330 feet (100 metres), Cape Byron Lighthouse is one of the most powerful lighthouses, and the most easterly, in Australia. The friendly village atmosphere provides a taste sensation of rural Australia. Soak up the laid back lifestyle. Stop at Tropical Fruit World to explore the world's largest selection of tropical fruits and discover chocolate fruit, red dragonfruit, and waterberries. Enjoy lunch at leisure on your own, indulge in some retail therapy, or simply sink your toes in the sand at one of Byron Bay's beautiful beaches.

Day 3

Rainforest Walk & Minyon Falls

Explore the natural wonder of the World Heritage listed Nightcap National Park including a 2 hour guided rainforest walk to the base of the spectacular Minyon Falls. Take a swim in the pristine fresh water pools, photograph the abundant wildlife or simply relax and get in touch with nature. Enjoy a delicious, locally sourced BBQ lunch after your walk. Arrive at the oldest white settlement in the Byron Bay area, famous little town of Bangalow (est.1840). Tour Bangalow's fascinating mix of local shops, galleries and cafes. From Bangalow, the tour weaves through the beautiful Byron hinterland and the many historical unspoilt hinterland towns that are sprinkled throughout the country side.

Day 4

Whale Watching Cruise – June to Oct each year

Welcome to Blue Bay Whale Watching, Byron Bay's most popular whale watching tours. Our custom-built eco-vessel is the ONLY dry and comfortable whale watching boat in the Cape Byron Marine Park. We are so confident in the quality of our trips and the experience of our crew and whale spotter that we are happy to give you a full money back guarantee if you don't see a whale. Come and enjoy an intimate encounter with majestic Humpback Whales from the comfort of our 8.5m catamaran "Bay Warrior" without getting wet. Our whale watching tours depart daily from our private jetty in the Brunswick Heads Boat Harbour, the perfect gateway to the Cape Byron Marine Park. "Bay Warrior" was purposely built for comfort and stability. It has a large cabin with big glass windows for equally great viewing from inside. Our spacious and stable back deck is completely sheltered from the sun and the rain. During the trip, you can move up onto our elevated front deck and enjoy 360 degree views of whales and scenery. The Wharf is a 30 minute scenic drive, south of Byron at Ballina. Please meet on the Lance Ferris Wharf directly in front of Wharf Bar & Restaurant. Someone will come to collect you and take you down to the boat. We travel along the Ballina/Byron coast, where we visit is depending on where the whales are.
