Take some time for yourself with our fantastic Murray River experience! Including three nights in Adelaide, four nights on the historic Murray Princess, excursions, return flights and more.

The mighty Murray River winds 2570 kilometres through the Australian outback and on it's banks you will see Australian Native animals, red gum forests and green farming land all protected by the towering sandstone cliffs. One passenger returning from this Murray Princess cruise described a feeling of "being in touch with the river, the land and its creatures. This was definitely due to the calming of the Paddle Wheeler as the P.S. Murray Princess snaked her way along the river. It gave us a wonderful feeling of a bygone era."

With perfect scenery, delicious food, like minded new friends and a small luxury Paddle Wheeler you can get ready for the ultimate unique Aussie adventure.

### Cruising

The original Swan Reach homestead is now the Swan Reach Hotel where you can enjoy an ale or cappuccino overlooking the Murray River (additional cost). Join a walking tour and visit the Swan Reach Museum (gold coin donation at entry). Cruise downriver after lunch and take in the tranquillity as the landscape slides by. When we arrive at Sunnydale, it's all ashore for the Woolshed Show as we recreate typical Australian woolshed history. Later we visit the Native Wildlife Shelter where some of South Australia's most interesting native animals are cared for. And then of course, there is the great Aussie Barbecue – cooked and served in a bush setting on the banks of the mighty Murray River. After dinner, there are two optional onshore tours to choose from (additional cost). A Nocturnal Tour in a comfortable purpose-built cart where you may see kangaroos, wombats, foxes, bats and owls and the Dark Sky Night Tour where you will be taken to an internationally recognised Dark Sky Reserve to observe the stars of the Milky Way. Night viewing binoculars and a telescope with a digital control locator are available plus a tablet to locate and name what can be observed with the naked eye.

### Important Information:

#### Your Vessel

The PS Murray Princess is a true inland paddle wheeler built for the Murray River, with the character and charm of yesteryear. It is the largest inland paddle wheeler in the southern hemisphere. Catering for just 120 passengers, she brings the unique advantages of small ship cruising to the remarkable setting of Australia's outback.

Don't be fooled by most modern-day imitation paddle wheelers where the paddle is often on the side and just for show. The PS Murray Princess is an authentic paddle wheeler that is propelled by its massive stern wheel. The onboard atmosphere is relaxed and informal by style. The lounge features a majestic view of the paddlewheel in action through the two-story viewing window. Upper and lower lounge areas are accessed by the classic brass and mahogany-style spiral staircase.

The PS Murray Princess cruises between Mannum, Murray Bridge, and Salter's Station down the Murray River. The wetlands in this area provide essential breeding and feeding habitats for many species of waterbirds, fish, invertebrates, and plants, meaning that you'll see the wonderful wildlife in this outback setting.

The PS Murray Princess has 5 passenger decks, Sturt, Randell, Cadell, Chaffey named after the Murray River's great pioneers, plus the Sun Deck.
