About 'The Ghan': This legendary train evokes a frontier spirit, a romantic connection to the land, and travelling on it creates a moving and unforgettable life experience.

In 2019, The Ghan celebrated 90 years of outback adventure, its legend stemming from the 1930s when the first Afghan cameleers arrived in Australia. On that momentous journey, the train was dubbed 'The Afghan Express' and then shortened to the legend it is today, 'The Ghan'.

Today you can become part of this celebrated history, following in the tracks of those pioneers as you journey through Australia's red heart.

Regarded as one of the world's greatest rail journeys, The Ghan delivers so much more than an extended train ride. It promises access to parts of Australia no other holiday can come close to – the perfect balance of comfort and adventure culminating in an experience that will move you in every sense of the word.
